

Dear Volunteer,

As of July 1, 2012, Purdue University instituted a new policy for volunteers. Purdue is committed to providing a safe environment for work, study, and outreach and to upholding the reputation and integrity of the University. To that end, all volunteers will be subject to a background screening that will include, at minimum, a Sex and Violent Offender Registry Check. Any individual listed on a registry that is part of the University's Sex and Violent Offender Registry Check or who has been convicted of an offense for which he or she must register as a sex or violent offender may not serve as a volunteer. No department/unit may discriminate in selecting volunteers based on race, religion, color, sex, age, national origin or ancestry, genetic information, marital status, parental status, sexual orientation, gender identity and expression, disability, or status as a veteran.
