

# DCMME Strategic Initiatives

Ananth. Iyer  
aiyer@mgmt.purdue.edu  
Director, GSCM  
Krannert School of Management

Amanda Thompson  
amthomps@purdue.edu  
Assistant Director Designate, GSCM and DCMME  
Krannert School of Management

## GSCM Issues

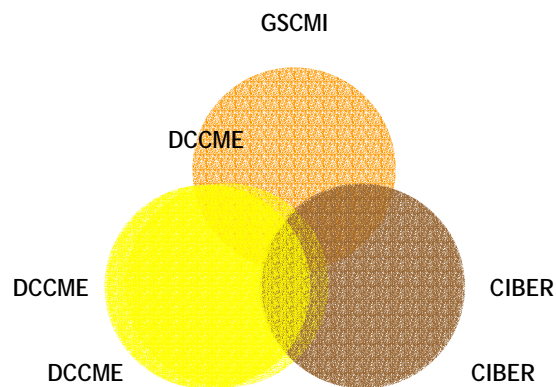

### Global Supply Chain Management

- Understanding and procuring from global supply chains involving domestic and foreign suppliers
- Coordinating deliveries to global supply chains
- Coordinating Supply Chains across country boundaries

# GSCMI

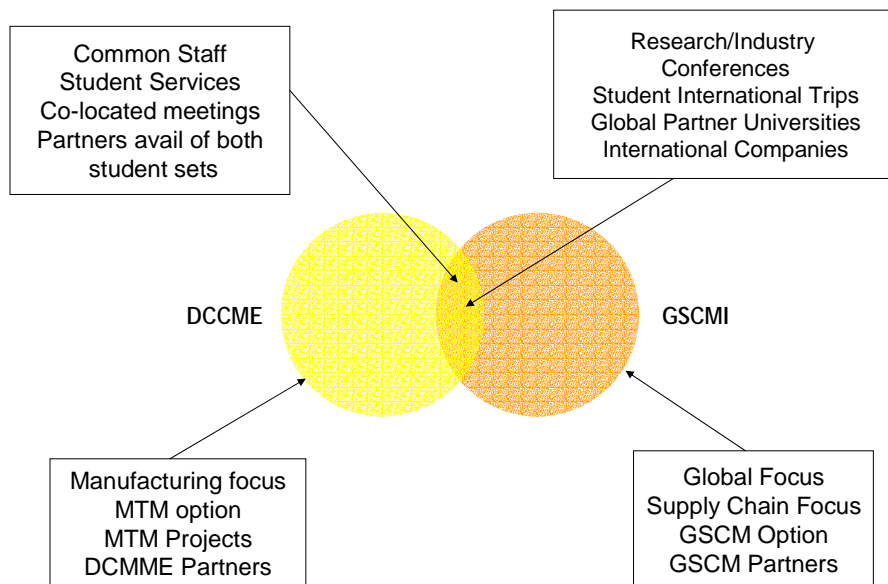

GLOBAL SUPPLY CHAIN  
MANAGEMENT INITIATIVE

Links Across Existing Centers at Krannert

# Proposal

- Coordinate DCMME, GSCM with CIBER
- Engage with International Alumni
- Focus on Global Supply Chains
- Engage Service Industries
- Provide a Forum for interactions between Faculty Research and Industry Interests

## Funding Sources – Alliances

- Alliances between Purdue Centers
  - (DCMME, GSCM, CIBER, CWSA(Eng), NIPTE (Eng/Pharma))
- Alliances with Universities
  - (NYU, international partners in China, Korea, India, Taiwan)
- Funding from federal, state, foundations, short courses (exec ed) and research
- Funding from existing and new industry partners

## Student/Faculty projects

- Student Team projects
- Faculty lead student sponsored projects
- Supply Chain Benchmarking studies (by industry, global scope)
- RFID Projects (with CWSA)
- Pharma Economics (with NIPTE)
- Sponsored Projects (with CAM)
- Health Care Economics (with RCHE)

# Your input is valuable

- To grow the new Krannert initiatives
- To continue our services and expand them
- To provide human capital
- To provide financial capital
- To enable improved focus on research, education
- Please contact Amanda or me anytime to provide your suggestions
