

# Wall Street Prep

## Financial & Valuation Modeling Seminar at Purdue University April 8th & 9th RAWLS 1086

Interested in investment banking, private equity, portfolio management, business and corporate development, capital markets, equity and credit research, and industry corporate finance careers?

The Purdue Finance Workshop and Krannert Leaders Academy will be hosting **Wall Street Prep's Financial & Valuation Modeling** seminar at Purdue University April 8th & 9th.

This intensive **2-day weekend** seminar is led by former investment bankers with applied expertise in financial and valuation modeling methodologies, and bridges the gap between academics and the real world to equip students with the hands-on practical financial skills that they will need to excel during the recruiting process and on the job.
