The Purdue Center for Economic Education’s

2016 Summer Economics Extravaganza
Workshop for K-8 Teachers

June 21 – 24, 2016
Tuesday, Wednesday, and Thursday 8:30-2:30, and Friday 8:30-12:30
On the Purdue University Campus

This 3-1/2 day workshop will feature sessions such as
• Playful Economics
• Half-Pint Economics,
• Trading Around the World
• Economics and Entrepreneurship, and more

You’ll gain an in-depth understanding of the economics and personal finance concepts and standards you teach in your classroom. In addition, you will learn creative ways to teach these concepts to your students (including using Herschel, a feisty little puppet dog who charms students into learning economic concepts in a fun way). This will be an informal and exciting program that you don’t want to miss! Look at all the benefits you will receive:

• A $200 cash stipend
• 18 Professional Growth Points
• A set of Kids Economic Posters (see kidseconposters.com)
• Both Herschel’s World of Economics DVDs (11 programs in all)
• Networking opportunities
• Daily refreshments, and a luncheon on Friday.

Register now! Space in this free-to-you workshop is limited to 15 teachers and will fill quickly.
