Krannert Undergraduate Student Organizations:

In order to build a strong connection between company recruiters and Krannert students, the information below provides a means of contacting and communicating with the Krannert student organizations. These organizations serve as a valuable opportunity to work with and support Krannert's best and most active student leaders. Students in these organizations seek to engage with company representatives in order to improve their company relationships.

Typical events include:
- Company/Industry Presentations
- Mock Interviews
- Resume Critiques
- Case Competitions
- Networking Events/Socials
- Leadership Seminars
- Company/Plant Site Tours
- Community Service Days

Corporate Recruiters: when contacting an organization, we recommend typing “Company XYZ recruiting Organization XYZ” in the subject line and cc: the faculty/staff advisor.

Fall 2015 Organizations

Purdue Accounting Association (PAA)
https://sites.google.com/site/purdueacctingassoc/

The purpose of the Accounting Association is to help students develop an understanding of the accounting profession and to prepare them for the job search process. The club also provides a social setting for Purdue students to expand their educational and social boundaries through peer interaction, professional engagements and community service. Our officers, members, and friends work hard to build our accounting opportunities and experience.

AIESEC
http://aiesec-purdue.org/

Focused on providing a platform for youth leadership development, AIESEC offers young people the opportunity to participate in international internships, experience leadership and participate in a global learning environment. What makes AIESEC unique is the youth driven impactful experience that it offers to its members. AIESEC is run by young people for young people, enabling a strong experience to all its stakeholders.

Alpha Kappa Psi
www.purdue.edu/akpsi

Alpha Kappa Psi is recognized as the premier developer of principled business leaders. Our guiding principles emphasize exhibiting high ethical standards and integrity in business and life, encouraging lifelong learning in classroom and workplace, improving communities through sharing our time and talent, building brotherhood, and enhancing the fraternity for life.

ASCEND
https://boilerlink.purdue.edu/organization/ascend

Ascend is the premier non-profit professional association that enables its members, corporate partners and the community to realize the leadership potential of Pan-Asians in global corporations. Ascend reaches 20,000 people with 28 student chapters and 16 professional chapters located in both the U.S. and Canada around major business hubs and educational institutions. Ascend membership is open to individuals of all ethnic and business backgrounds. Ascend Purdue aims to provide Pan-Asian students with leadership and professional development opportunities.
Association of Certified Fraud Examiners (ACFE)
https://boilerlink.purdue.edu/organization/ACFE

The ACFE (Association of Certified Fraud Examiners) Purdue Chapter, as a subsidiary of the national ACFE, is an anti-fraud organization run by students to address anti-fraud issues and to connect with anti-fraud professionals. The objective of our chapter is to increase students' awareness of business ethics and anti-fraud professions by hosting a series of anti-fraud events (i.e. fraud case study, anti-fraud topic discussion, guest speaker event), and bringing together business major students and sociology/ pre-law students.

Association of Industrial Management Students (AIMS)
https://intra.krannert.purdue.edu/clubs/AIMS

The Association of Industrial Management Students is a group of individuals with both the technical and managerial skills necessary to become leaders within the workforce. It was established with a primary focus on gaining awareness of the BSIM major within the Krannert School of Management. In addition, the organization has a goal to provide each member with leadership and networking opportunities tailored specifically to the likes of the BSIM community.

Beta Alpha Psi
www.purdue.edu/bap

Beta Alpha Psi is an international organization for students majoring or concentrating in Accounting, Finance, and MIS. As the premier professional business and financial information organization, Beta Alpha Psi recognizes academic excellence and complements members' formal education by providing interaction among students, faculty, and professionals, while fostering lifelong growth, service and ethical conduct by organizing many professional and community service opportunities for its members throughout the year.

Beta Gamma Sigma
www.betagammasigma.org/

Beta Gamma Sigma is an international honor society serving business programs accredited by AACSB International - The Association to Advance Collegiate Schools of Business. Membership in Beta Gamma Sigma is the highest recognition a business student anywhere in the world can receive in a business program accredited by AACSB International. The Mission of the International Honor Society Beta Gamma Sigma is to encourage and honor academic achievement in the study of business, to foster personal and professional excellence, to advance the values of the Society, and to serve its members.

Boiler Business Competition Club (BBCC)
http://bbcatkrannert.weebly.com/

Our mission is to give students the opportunity to analyze case studies based on real world problems in order to practice the skills they have learned in the classroom. BBCC partners with Purdue University Consulting Club and Purdue Student Consulting to offer top notch service in training students both graduate and undergraduate for case competitions. It also provides the opportunity through partnership with PUCC and PSC to provide opportunities to visit consulting firms and meet consulting executives.

Delta Sigma Pi
http://www.krannert.purdue.edu/clubs/deltasig/

Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture and the civic and commercial welfare of the community.

Financial Management Association
https://intra.krannert.purdue.edu/clubs/FMA/Pages/Home.aspx

Purdue Financial Management Association (PFMA) is a chapter of the global FMA organization created to educate and provide resources to students interested in the field of Finance. We are a professional organization dedicated to enriching the academic interest and providing leadership opportunities to our members. Through various local events and networking opportunities with FMA, PFMA prepares members with an understanding of the Finance industry and equips them with the tools needed to succeed in their careers. Some of the events that PFMA is committed to doing is hosting panel discussions based around various fields in finance, sending members to national FMA conferences, visiting financial institutions around the Midwest, and facilitating events where members can meet with recruiters interested in Purdue's finance students.
Krannert Learning Communities Executive Student Board

The concept for an Executive Student Board for the Learning communities is to provide students the opportunity to actively engage in an organization that will 1) provide the Learning Communities with a formal structure to drive student activities in support of the LC mission in academic, social and philanthropic areas, and 2) create opportunities for LC members to interact directly with the business community and develop leadership traits to become future industry leaders.

Management Ambassadors

The Management Ambassadors are honest, articulate, and creative representatives of Krannert and Purdue. They share their personal experience and knowledge with prospective students to help these students find the best college fit. In the process of hosting prospective students and their parents, Ambassadors gain marketing and public relations savvy and improve their public speaking, interpersonal, listening and interviewing skills, to help them achieve their own professional goals.

Management Information Systems Association (MISA)

MISA is an organization for undergraduate and graduate Purdue students, of any major, interested in the MIS field. Our goal is to develop an environment where students can gain knowledge of the IS industry through industry professional led workshops and seminars, obtain exclusive job opportunities through recruiter events and relationships, network with industry professionals through our partnered professional associations, and a forum where faculty and students can meet and develop relationships.

Odin Finance Club

The Odin Finance Club is a leadership and finance student organization at Purdue University in West Lafayette, Indiana. We are passionate about investing and higher thinking. We afford our members the opportunity to learn about the stock market as well as the skills necessary to build wealth in it. We accomplish those goals by utilizing both the faculty and staff at Purdue as well as other students who have experience navigating and trading within the stock market. We welcome anyone who shares a similar passion for education and self-betterment.

Operations and Supply Chain Organization (OSCO)

To provide a better understanding of operations and supply chain career opportunities and to provide students with knowledge that will aide in their studies. This will be accomplished through increasing their familiarity with the job search process, acting as a liaison between students and companies, providing a connection with MBA students, and ensuring understanding of the curriculum.

Purdue Economics Association (PEA)

The Purdue Economics Association is dedicated to the advancement of economic theory, application, and overall knowledge through student activity and involvement. We provide a supportive environment for students to discuss, debate, research, and implement their knowledge of economics.

Purdue Marketing Association (PMA)

Purdue Marketing Association (PMA) is an undergraduate student organization that works in direct relation to Purdue's Graduate Marketing Association, Krannert Faculty, and Corporate Recruiters. We act as a liaison between our fellow classmates and corporate recruiters. We challenge our members to participate in case competitions, workshops/seminars, networking events, career fairs, and community engagement. Our board members offer exclusive consulting services for assistance in internship placement and research, resume/cover letter critiques, brand and project management.

School of Management Council (SMC)

The mission of the SMC is (1) to promote a close relationship between the students, faculty, and administration of the School of Management, and (2) to serve as an advisory group representing the students of the School of Management, and (3) to assist in the development of leadership and professionalism for members as well as the students in the School of Management.
School of Management Employers Forum (SMEF)
www.purdue.edu/SMEF
The mission of the School of Management Employers Forum is to establish, develop and maintain relationships with companies throughout the world in order to enhance the career and development opportunities available to Krannert's student body. The values of professionalism, integrity, and diversity shall guide SMEF towards success in its current and future endeavors.

Society for HR Management (SHRM)
SHRM was created to bring together students and staff with a career interest in Human Resource Management. The club is intended to expose students to the various facets of HR and provide a forum in which students can discuss current issues and apply elements of their Krannert education to practical situations. The focus of this organization is on professional development, but we always strive to remain active in our community and on campus, and to have fun in the process!

Society of Minority Managers (SMM)
https://boilerlink.purdue.edu/organization/societyofminoritymanagers/about
The Mission of The Society of Minority Managers is to serve the broad educational needs of minority students of the Krannert School of Management by: Establishing lines of communication between minority business students, business professionals, and the business employment market; Promoting professional and academic excellence among minority business students; Developing cooperative ventures with local affiliates; and Assisting the Krannert School of Management in the recruitment of minority students.

Women in Business (WIB)
www.purdue.edu/wib
The mission of Purdue University Women in Business is to empower women with confidence to reach their potential, equip them with the skills necessary to be successful, and educate them on the barriers they may encounter in the workplace. Women in Business builds a network with the goal of creating a world with more women leaders.
