WORK EXPERIENCE

Shell, New Orleans, Louisiana*May 2015 - August 2015*

Multinational oil and gas company

Upstream Materials Management Supply Chain Intern

- Analyzed the current supply chain for construction materials, talking to 20+ stakeholders to obtain the necessary information
- Implemented solutions that fixed inefficiencies with the current supply chain process and resulted in cost savings upwards of \$350,000 per year
- Attended daily production meetings for offshore assets, intervening when materials management expertise was needed

Allison Transmission, Indianapolis, Indiana*May 2014 - August 2014*

Manufacturer of automatic transmissions for the commercial market

Marketing and Customer Analytics Intern

- Worked directly with clients and prospective clients on tours and at events, including the Brickyard 400 Race
- Created data-centered spreadsheets using Microsoft Excel to be used by sales and marketing

Education at Work, Cincinnati, Ohio*May 2013 - August 2013*

Call center which employs strictly college students and pays them an hourly wage, provides them with career services, and provides tuition assistance based on their school performance

Operations Intern

- Managed 40-70 associates each shift to ensure that operational needs were being met
- Analyzed data from the workforce management system (IEX) in order to create easy-to-read spreadsheets
- Reviewed spreadsheets to ensure compliance ratings of at least 90% per our customer agreements

Crossroads Car and Truck, Milford, Ohio*Summers 2011 and 2012*

Independent used car dealership that specializes in the sale of American made cars and trucks, as well as boats and motorcycles

Head Lot Tech

- Organized the maintenance work on over 60 vehicles, including scheduling drop-off and pickup times from repair shops

EXTRACURRICULAR INVOLVEMENT

Krannert School of Management Employer's Forum (SMEF)*November 2012- Present*

SMEF works with faculty and staff to put on Krannert-hosted career fairs in the Fall and Spring each year

President

- Coordinate weekly meetings of 30 members to plan for the 150+ companies that attend the Krannert career fairs
- Facilitate communication between SMEF and corporate recruiters to meet their needs
- Promote Krannert events to organization members

*Company Relations Chair**May 2014 - Present**Prior Events Committee Chair**August 2013 - May 2014***Krannert Gear***August 2013 - Present*

Student-run business that designs and sells Krannert-labeled clothing to alumni, staff, and students

Board Member, Director of Communication

- Selected as one of the undergraduate participants in a cross functional business venture with Purdue master's students
- Serve on the undergraduate sales team, pitching our products to 30+ undergraduate business clubs

Krannert Energy Club

Club that seeks to unify Krannert students that share a common interest in the energy industry

*Undergraduate Liaison**December 2014 - Present*

- Chosen to work with the current Purdue graduate student board to expand the club to the undergraduate level
