

You want to invest in your employees.

Let us help you.

Successful professionals must learn new skills and concepts throughout their careers. Whether you send your employees to Purdue University's Executive MBA programs, certificate programs, or custom programs tailored to your unique challenges, you are investing in the continued success of your company.

Enhance your organization with our Corporate Engagement Package:

- Tuition discount for two or more employees concurrently enrolled in Purdue's Executive MBA or IMM Global EMBA programs
- Complimentary spot in our annual Applied Management Principles or Technical Management Institute certificate programs when you have two or more employees enrolled in our EMBA programs
- Complimentary consultation with senior executive education staff on customizing a program that fits your company's professional development needs
- Invitation to participate in our annual networking event with Purdue students, Executive MBA alumni and corporate partners
- Participation in our Active Learning Project course -- have a team of 5-6 EMBA students consult for you over a 14-week period to address a critical business problem
- Employment postings on the Krannert Professional Development Center website
- A visit from us to your site to present our programs to your employees and discuss opportunities with company management
- Access to free professional development offerings, including our online Continuing Education Webinar Series
