Full Time MBA

The full-time MBA program will help you develop analytical and technical skills along with global strategic leadership capabilities to lead in our technology-driven world. This program will immerse you in learning through dynamic coursework, leadership portfolio development, consulting projects and study abroad opportunities. The full-time MBA offers 14 functional and interdisciplinary specialized option areas. These option areas enhance students’ skill-sets in specific business areas, while increasing marketability with employers.

Program Highlights:

• Krannert Professional Development Center provides thorough individual coaching, job search resources, and on-campus recruitment services.

• Active alumni network around the world includes distinguished business professionals who connect in meaningful professional and personal mentor relationships.

• Engaging programs such as Launching Global Leaders, provide inclusive professional development opportunities designed to strengthen interpersonal skills. The Experiential Learning Initiative also challenges students to develop a semester-long consulting project for corporate clients.

• Collaborative opportunities with Purdue’s Foundry, Discovery Park and other campus incubators and innovation centers.
