MS (GSCM) HIGHLIGHTS

• The program is a Full-Time, One Year Program (three semesters)

• Course curriculum is designed to meet the rapidly growing business need for specialized talents. Rigor includes thorough teaching of the intricacies involved in global supply chain management as well as strong analytical and leadership training.

• A wide selection of courses developed by Krannert faculty who teach in our elite Operations programs (ranked #3 and #6 for undergraduate and MBA in 2011 US News and World Report).

• International partnership across a global supply chain with Tianjin University (China), Institute of Management Udaipur (India), and Shanghai Jiao Tong University (China) brings unique global perspective and experience to the students.

• Faculty directed summer experiential learning projects give students unique learning experience by working in international teams to apply classroom knowledge to the real world under close faculty guidance.

• The Global Supply Chain Initiative (GSCMI) Center works with partner institutes and company sponsors to offer the students project opportunities in China, India, Mexico, and United States.

• Students can begin in any of the partnership schools. They spend the final semester together on the campus of Purdue University. If you wish to plan to begin the program on the Purdue University campus, must apply for and start the spring semester in West Lafayette, Indiana.

CURRICULUM

Course credit hours - 30 total hours
Required courses (17)
GSCM electives (4)
GSCM relevant electives (4)
General business electives (5)
