

Accounting Professional Electives

Professional Electives include the MGMT or ECON classes at the 30000 level or higher on this list by major. Up to 3 credits of EPICS courses at the 30000 level or higher may be used. 6 credits at the 30000 level or higher taken at an approved Krannert study abroad program may be used with advisor approval and used as a Professional Elective. Courses marked (**) can also be applied towards the International Elective requirements.
