PROFESSIONAL DEVELOPMENT

AT KRANNERT

APPLIED MANAGEMENT PRINCIPLES (AMP)

INTERPERSONAL DYNAMICS (ID)

TECHNICAL MANAGEMENT INSTITUTE (TMI)

VETERINARY PRACTICE MANAGEMENT PROGRAM (VPMP)
Sharpen your management skills, innovate your approach to workplace issues and take your next step with AMP, Purdue’s mini-MBA program.

Ideal for managers, entrepreneurs, personnel directors, supervisors and all business professionals aspiring to a higher-level leadership position, AMP offers courses in accounting, innovation and entrepreneurship, marketing, negotiations, strategy, and more.

You’ll learn practical management tools and skills crucial for continued success in today’s business environment from internationally recognized Krannert faculty and guest instructors who are leaders in their fields.

Visit krannert.purdue.edu/executive/professional-development/amp to learn more about AMP faculty and curriculum, to read what past participants say about the program, and to register.

📅 AUGUST 3-7, 2020

Cost: $5,495. This fee includes instruction, materials, breakfast and lunch on all class days, and a campus parking pass.

Discounts Available: We offer special rates for Purdue alumni, faculty and staff; alumni of one of the 14 schools in the Big Ten Conference; and multiple attendees from the same company.
Learn the additional skills that you need to be a more effective leader as your organization pursues its next giant leap.

You will discover how to navigate today’s work environment that is increasingly organized around teams. This course teaches you how to avoid interpersonal conflict, politics, miscommunication and poor leadership.

The program will give you tools to help improve how teams function; improve your career prospects by learning how to overcome team members’ differences and toxic behavior; and you will learn how to effectively influence your peers, direct reports and managers.

Visit krannert.purdue.edu/executive/professional-development/interpersonal-dynamics/ to learn more about ID faculty and curriculum, and to register.

📅 AUGUST 17-18, 2020

Cost: $1,149. This fee includes instruction, materials, lunch each day and a campus parking pass.

Discounts Available: We offer special rates for Purdue alumni, faculty and staff; alumni of one of the 14 schools in the Big Ten Conference; and multiple attendees from the same company.
Keep learning and become a more effective team manager and supervisor of people in technical roles with TMI, a four-day program offered by Krannert School of Management.

TMI helps those managing or planning to manage a technical workforce understand cross-functional project management and the dynamics of leading technical employees.

The program provides participants with current perspectives on leadership and project management in the technical arena, including courses in strategy, leadership, program and project management, and more.

Visit krannert.purdue.edu/executive/professional-development/tmi to learn more about TMI faculty and curriculum, to read what past participants say about the program, and to register.

📅 OCTOBER 13-16, 2020

Cost: $2,295. This fee includes instruction, materials, breakfast and lunch on all class days, and a campus parking pass.

Discounts Available: We offer special rates for Purdue alumni, faculty and staff; alumni of one of the 14 schools in the Big Ten Conference; and multiple attendees from the same company.
Improve the profitability and longevity of your veterinary practice with VPMP, created for veterinarians, veterinary technicians and technologists, and practice managers.

Designed and hosted by Krannert School of Management, VPMP emphasizes implementation of new ideas in your veterinary practice to increase overall managerial effectiveness, help build trusting relationships with clients, and promote the importance of strategic thinking.

All courses are applicable toward the continuing education requirement for the Certified Veterinary Practice Manager program offered by the Veterinary Hospital Managers Association.

Visit purdue.edu/vpmp to learn more about VPMP faculty and curriculum, to read what past participants say about the program, and to register.

**FOUR MODULES OVER 18 MONTHS:**

**Cost:** $7,000. This fee includes instruction, materials, breakfast and lunch on all class days, and a campus parking pass.

**Discounts Available:** We offer special rates for Purdue alumni; Purdue Veterinary Medicine staff, faculty and students; and for multiple attendees from the same practice.
The Krannert School of Management offers professional development programs designed for ambitious professionals who seek to further their careers by enhancing their skill sets.

Enroll in one of our non-degree programs presented here, and if within 24 months you also enroll in the Executive MBA or IMM Global EMBA, we will deduct the fees for the professional development program from the cost of the degree program.

We also partner with companies to create custom programs designed to meet the specific needs of the organization, reflecting their priorities, vision, and philosophy. Contact us to start designing your custom program.
