BS in Health Science Pre-Professional / Master of Business Administration (MBA)

This program offers a way for outstanding students in General Health Science programs in the College of Health and Human Sciences an opportunity for accelerated degree completion for their B.S. and MBA degrees.

Requirements:

- Completion of 102 credit hours of coursework by the end of junior year, including the required major courses identified in their plan of study
- Have a minimum 3.7 GPA (3.5 GPA with strong leadership and internship experience will be considered)
- Completion of at least one professional internship
- Demonstration of leadership potential through extra-curricular activities
- Have met with your assigned academic advisor in the undergraduate HHS advising office

Program Notes:

- Students are required to schedule a meeting with the Purdue MBA and Master’s Program Admissions Office to determine the student’s readiness to enter master-level coursework and go over credit hour requirements. After interviews, students will be counseled by staff with recommendations about the potential viability of their application.

- Students who are encouraged to apply will complete the Graduate School application in early spring of their junior year. Admissions decisions will be made in time for them to complete plans for the upcoming year.

- Health Sciences Pre-Professional students entering the MBA program will be required to take 60 credit hours of master’s level courses once they enter the program. Any master’s level courses completed prior to their enrollment cannot be used to meet requirements of the MBA.

- A minimum of 3.0 GPA is required to receive the MBA degree.
MBA Curriculum 60 total required credits (29 Core/31 Elective)

"It's a great opportunity for you to finish your undergraduate and master's degree in a quick but efficient way. One of the reasons I chose the program was because it allowed me to combine my degree but also learn from my peers both at the undergraduate level as well as the graduate level."

Christine Rasquinha, ‘18 Combined Degree Program
