Krannert Undergraduate / Master of Business Administration (MBA)

This Combined Degree program will provide high-achieving students in the Krannert School of Management an opportunity to accelerate their education by earning their B.S. and MBA within five years of study. Qualified students in the Krannert School of Management will take three years of undergraduate coursework and two years of graduate classes.

Requirements

- Completion of 108 credit hours of coursework by the end of the junior year, including completion of MAI Core Foundations courses; University Core requirements and international electives, upper division courses except for specified substitutions; concentration courses for Management, Accounting, Finance, Global Entrepreneurship, Global Supply Chain Management, Human Resource Management and Marketing.
- Have a minimum 3.7 GPA (3.5 GPA with strong leadership and internship experience will be considered).
- Completion of at least one professional internship.
- Demonstration of leadership potential through extra-curricular activities.
- Have met with academic advisor in the Krannert undergraduate advising office.

Program Notes

- Students are required to schedule a meeting with the Purdue MBA and Master’s Program Admissions Office to determine the student’s readiness to enter master-level coursework and go over credit hour requirements. After interviews, students will be counseled by staff with recommendations about the potential viability of their application.
- Students who are encouraged to apply will complete the Graduate School application in early spring of their junior year. Admissions decisions will be made in time for them to complete plans for the upcoming year.
- The BS/MBA program follows a lock-step, cohort structure that requires 60 credit hours of Master’s-level coursework be completed in four semesters. Any master’s level courses completed prior to enrollment cannot be used to meet course requirements of the MS program.
- A minimum of 3.0 GPA is required to receive the MBA degree.

"It’s a great opportunity for you to finish your undergraduate and master’s degree in a quick but efficient way. One of the reasons I chose the program was because it allowed me to combine my degree but also learn from my peers both at the undergraduate level as well as the graduate level."
