SUCCESSFUL
STUDENT ATTRIBUTES

TRUE GRIT
Krannert students unlock their full potential during their academic journey. Challenges reveal the mettle of a Boilermaker. Our students are tenacious and can be relied upon to see a job through, all while balancing their studies, work, and family life.

PIONEERING SPIRIT
At the heart of Purdue University is a passion for discovery, fueled by an entrepreneurial spirit. Krannert students blaze their own paths, never settling for the status quo.

INITIATIVE
We look ahead and forever move forward. Krannert master’s students apply classroom learning and newly developed skills to their professional development plan and their workplace, creating value for themselves and their companies long before graduation.

THE “IT” FACTOR

ENRICHING CONTRIBUTOR
Krannert students enrich the school and their cohort, elevating the learning experience for all. Here, diversity transcends ethnicity or gender into realms of thought, industry, and academic background.

EMOTIONAL INTELLIGENCE
Great leaders communicate effectively and with great empathy. Krannert students are great leaders in training who learn to manage themselves and their relationships with self and social awareness, upping their Emotional Intelligence Quotient (EIQ).

PROBLEM-SOLVING SKILLS:
At Krannert we roll up our sleeves and dig deep into a problem. Success requires us to approach questions from a variety of angles, combining a solid academic foundation with a flair for the creative. And we are successful.

ALUMNI SPOTLIGHT
“Krannert is rigorous without being back-breaking. I have gotten my hands dirty in a wide variety of spheres within finance. Classes go beyond the basics and challenge my ability to learn quickly. I feel confident that my master’s will be the cornerstone on which I build my career.”

FACULTY HIGHLIGHT
FABRICIO D’ALMEIDA
Clinical Assistant Professor, Finance

PhD, Finance, University of Illinois at Urbana-Champaign
MS, BA, Economics, Pontifícia Universidade Católica do Rio de Janeiro

“Purdue University’s MS Finance program makes use of a team-based cohort model that simulates a true business environment. We prepare students for financial and analytical roles in a wide range of industries, from corporate titans to the public sector to banking. The program draws on experiential learning and access to the top minds in finance, and the smaller class size offers impactful access to faculty.”
