*SMSHRM program requirements can be met in either two semesters (11 months) or three semesters (18 months). More experienced professionals can choose to complete the program in two semesters. Those in the earlier stages of their careers should expect to complete the program in three semesters, which allows time for a summer internship and participation in a human capital consulting project.

RANKINGS

#1 MS Human Resource Management in North America (6 times in last 8 years)
Best-Masters.com

#6 MS in Human Resources
College Choice

The MSHRM curriculum is excellent! The material is challenging, but the professors provide every resource to help. The focus is on understanding, not final grades, just as it will be in the workforce.

Claire Jarvie, MSHRM ’20
