Information compiled from recent cohorts.
**SUCCESSFUL STUDENT ATTRIBUTES**

**TRUE Grit**
Krannert students unlock their full potential during their academic journey. Challenges reveal the mettle of a Boilermaker. Our students are tenacious and can be relied upon to see a job through, all while balancing their studies, work, and family life.

**Pioneering Spirit**
At the heart of Purdue University is a passion for discovery, fueled by an entrepreneurial spirit. Krannert students blaze their own paths, never settling for the status quo.

**Initiative**
We look ahead and forever move forward. Krannert master’s students apply classroom learning and newly developed skills to their professional development plan and their workplace, creating value for themselves and their companies long before graduation.

**The “IT” Factor**

**Enriching Contributor**
Krannert students enrich the school and their cohort, elevating the learning experience for all. Here, diversity transcends ethnicity or gender into realms of thought, industry, and academic background.

**Emotional Intelligence**
Great leaders communicate effectively and with great empathy. Krannert students are great leaders in training who learn to manage themselves and their relationships with self and social awareness, upping their Emotional Intelligence Quotient (EIQ).

**Problem-Solving Skills:**
At Krannert we roll up our sleeves and dig deep into a problem. Success requires us to approach questions from a variety of angles, combining a solid academic foundation with a flair for the creative. And we are successful.
