REAL ESTATE FOR NON-KRANNERT STUDENTS

The real estate minor helps students in non-business majors acquire basic knowledge in business and economics, and develop in-depth knowledge in real estate issues and practices. It allows students to broaden or enhance their knowledge of their major field and create a unique skill set for specialized real estate-related careers.

NOTES

1. All courses within minors require a C- or higher
2. Students in the School of Management majors have priority in registering for Economics, Management and OBHR upper-division courses. Non-Krannert students seeking a Krannert Minor are not allowed to register for upper-division courses until after Krannert registration restrictions are lifted. Space in upper-division courses is not guaranteed.
3. If you are pursuing any Krannert major, minor or concentration pass/no pass is not an option
4. Enrollment in all MGMT, ECON & OBHR courses and the ACCT minor is subject to space availability
5. Pre-requisites should be checked on MyPurdue
6. Transfer credit for courses that are a direct match will be accepted for the minor or concentration. Undistributed transfer credit (i.e. MGMT 20000) will not be accepted. To see how courses from other institutions transfer to Purdue use Purdue’s Transfer Credit Courses Equivalence Guide.
